

To: Chair Representative Jason Kropf, Vice-Chair Representative Willy Chotze, Vice-Chair Representative Kim Wallan; and Member Representatives Tom Andersen, Farrah Chaichi, Rick Lewis, Kevin Mannix, and Thuy Tran.

I am writing in support of HB-3075 as it significantly...

Improves the probability of identifying those who should not be provided a license, a major public safety intervention.

Improves the processes for both the administration of the program and for the user.

Provides exemptions for active duty military and law enforcement.

Mandates that a portion of the fees collected will be allotted to programs providing and certifying training as well as obtaining criminal background checks.

Sincerely,

david.a.nardone
