

I am a law-abiding Oregonian. I am my first line of defense when second count and police are 3-15 minutes away. This bill is an outright violation of my federal constitution, 2nd amendment rights and the Oregon constitution. Oregon leadership is putting us all in jeopardy of losing all federal dollars. HB 114 and HB3075 are both a direct violation to all citizens freedoms. I urge you to oppose this bill and find more equitable and effective solutions to address public safety concerns without undermining the rights and well-being of Oregonians. This also does absolutely nothing to actual criminal. There are many more problems that need to be addressed in this state that should be focused on rather than spending so much time and energy and taxpayer money on gun legislation that takes our constitution rights away. I strongly oppose

HB3075 and HB114
