

Submitter: kim d

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am an Oregonian writing in support of House Bill 3075-1, Permit-to-Purchase. This bill will provide the technical processes to be clarified for law enforcement to process permits for purchasing firearms. Basic safety measures such as these will reduce the risks associated with gun ownership, including impulsive suicide and community gun violence.
