

Submitter:

Mike McBride

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

I am against HB 3075 , this does nothing more then have the government violate my 2nd amendment right to carry and bare arms, and I am against the government taxing me. Really it is to take my rights away and to put a heavier burden on the Oregon citizens with more taxes. Stay out of our pockets.
