First of all. this proposed law would directly inhibit every citizen the right to own "Arms". As you all should know, the 2nd amendment of the US Constitution states "A well regulated Militia, being necessary to the security of the free State, the right of the people to keep and bear Arms, shall not be infringed". This bill would "infringe" on my right to keep and bear Arms. The Oregon Constitution section 27 "The people shall have the right to bear arms for the defence [sic] of themselves, and the State, but the Military shall be kept in strict subordination to the civil power[.]". This clearly tells me the state does not have any right to place impediments to my acquiring and maintaining Arms. I should not have to continually fight our legislatures for rights that our enshrined in our laws but apparently I do. I am opposed to any and all impediments to owning Arms. It is blatantly unconstitutional on several levels.
