

Submitter: Darin Kundert

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose all measures of 114 including HB 3075. It's directly unconstitutional. This bill will turn law abiding citizens into criminals over night. It's in direct violation of my constitutional rights. Shall not be infringed is in the text of the 2nd amendment for a reason. Oppose this bill.
