Measure, Appointment or Topic: HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives.

I have lost two loved ones, a close friend/colleague, as well as my younger brother, to gun violence in the last 10 years. So many others have experienced the same or worse. It's on us to bring about common sense firearm regulation so that no one else has to feel this pain.

Studies show the permits to purchase, like the one in Measure 114, with reduce homicides and suicides in Oregon. I urge you to start saving lives by having the permitting process begin as soon as the courts lift the stay.
