Measure, Appointment or Topic: HB3075

I am writing this testimony in opposition to HB3075. I do not believe HB3075 is in the best interest of Oregonians. Limiting availability of self defence tools directly opposes the Oregon Constitution, regardless of the twisted interpretation of some judges. On top of this, the executive branch of Oregon continues to release criminals back into our streets. Neither free criminals nor HB3075 make Oregon safer, and I don't care how you feel about those facts.
