Measure, Appointment or Topic: HB3075

The Second Amendment of the U.S. Constitution reads: "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." Measure 114 is a direct infringement of the rights of law abiding citizens. Restricting access to firearms leaves law-abiding citizens vulnerable, period. Criminals will always obtain firearms, and that law abiding citizens will be left defenseless.
