

Submitter: Chris Chenoweth

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose this bill because it is a gigantic waste of time and taxpayer money. These gun control legislation bills end up going through the courts and being struck down as unconstitutional by the Supreme Court, regardless of who is perceived to have a majority. This is because they plainly violate the 2nd amendment. It is time to quit wasting taxpayer money.
