

Submitter:

Jerimiah Ritchie

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

I oppose this measure as it will infringe on my constitutional right to own and use firearms that have been completely legal in the state of Oregon. This measure will turn law abiding Oregon gun owners into criminals simply for owning firearms they have owned for decades. This is a direct attack on our rights and is completely unconstitutional.
