

Submitter: Angie Hagen

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Our 2nd Amendment Rights clearly state "shall not be infringed upon". As a United States Citizen I have the constitutional right to own a gun without unnecessary fees and permits. Oregon clearly wants to ban 2A because they continue to attack gun owners rights by putting through bill after bill to infringe our rights as constitutional gun owners.
