

Submitter: Elisha Norton

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Please oppose this bill. It makes citizens who acquired firearms legally criminals while criminals will continue to utilize "banned" weapons. Law abiding citizens will suffer and be put in harms way should a self defense situation need to occur.

There is no system in place for individuals to be properly permitted or acquire firearms deemed safe. It is unconstitutional and will undoubtedly create a cascading effect of stricter and stricter gun laws.
