

Submitter: Brian DeVault

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

HB 3075 does nothing but make it hard for LAW abiding citizens to purchase a firearm. Our second amendment rights will be violated when it takes 60 days to be able to get a permit to purchase.

Let's really go after the criminals which do not follow the law. Make stricter rules for individuals who have already proven they do t care about laws!
