

Submitter: Barbara Chatfield

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Excessive gun laws like this bill do not decrease crime. Criminals do not follow the laws only law abiding citizens do. Charging excessive fees and making it harder for people to own guns does not keep Oregon safe.

According to Crime Prevention Research Center law abiding citizens stopped more active shooter crimes than did the police. Stop these unnecessary laws.

Oppose this bill.
