Measure, Appointment or Topic: HB3075

This bill will obviously infringe upon 2nd amendment rights, just like measure 114 has done. The ultimate goal is to disarm the citizens, but look how well that has worked for cities like London where they ban knives and still have killings. And the same for China. People will hurt and murder no matter the weapon. Disarming the law abiding citizens only makes them more susceptible and makes it easier for government to reign unchecked.
