

Submitter: Stepan Volnychev

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Dear Members of the Oregon Legislature,

I am writing in opposition of House Bill 3075. It infringes on law-abiding citizens rights to the second amendment through arbitrary restrictions. This bill will not make our communities safer or reduce crime. It will only remove the rights from law-abiding citizens and empower criminals. Oppose House Bill 3075.

Respectfully,
Stepan Volnychev
