

Submitter: Candie Fuller

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am writing this in opposition of HB3075. We have a constitution that protects are gun rights. When our government fails to hold criminals accountable they come after the legal gun owners . This is a horrible bill and should not even be heard . It is unconstitutional at State and Federal level.

Please table this bill.

Thank you

Candie Fuller
