

Submitter:

Peggy Berg

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

I oppose HB 3075 as it is a complete injustice to law abiding citizens. This measure is an absolute encroachment of our 2nd amendment rights. This measure will be a travesty to our constitution and put many store owners out of business while waiting for the Supreme Court to ultimately overturn it. How much of our taxpayer funds are you going to take? Please stop this measure.
