Dear Chair Kropf, Vice-chair Chotzen, and Vice-chair Wallan,

I have not had the chance to pore through this bill line by line, but I support wholeheartedly the underlying concept of implementing Measure 114, which the voters voted for in 2022 and the Oregon courts have upheld as constitutional. It is now more than 2 years since the voters passed M114 and the will of the voters deserves to be heard in the form of stricter firearm safety regulations statewide. Gun violence is a scourge on our nation and communities. Thank you for anything you can do to help implement the will of the people in this regard.

Sincerely,
Paul Diller
