Measure, Appointment or Topic: HB3075

I strongly oppose HB 3075. It is unconstitutional, and it infringes on our second amendment rights. This bill will do nothing to stop gun violence. Criminals do not follow the law and always manage to get their hands on a weapon to do harm. No amount of restrictions on law-abiding citizens will ever end the violence. We need to deal with the heart of the man who seeks to do evil. Vote NO on HB 3075 and uphold our constitutional rights.
