

Submitter: Samuel Schafer

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

As an American, and an Oregon resident, measure 114 goes against my rights and beliefs. Magazine restrictions will not fix The underlying mental health issues that affect those committing firearm crimes. Measure 114 will only hurt the law abiding citizens who simply want to be able to competently defend themselves in an effective manner.

Magazines must not be restricted.

Regards,  
Sam Schafer
