

Submitter: Jayne Simmons

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose this bill and I ask you to oppose it as well.

This bill tries to limit our God-given right to protect ourselves and our Constitutional Law to make sure that that right remains in place.

I believe this is a stall tactic to undermine our ability to arm and defend ourselves.

Oregon legislators - quit trying to take away our rights.

PLEASE VOTE NO.

Thank you,

Jayne Simmons
