Measure, Appointment or Topic: HB3075

Oregon legal gun owners commit virtually no violent crime in this state. Background checks are already required for all gun purchases in Oregon. This bill is a blatant attempt to make legal gun ownership as difficult as possible. We have failing schools, fentanyl and meth addicts galore, major cities in decline, and failing public services and lawmakers are trying to enact a law in blatant violation of the Oregon constitution in order to circumvent the court process. Unacceptable, and I will be donating lots of money to rid the state of any lawmaker who votes for this bill.
