Measure, Appointment or Topic: HB3075

I oppose 3075. Where does it say I have pay a fee just exercising my 2nd Ammendment right. What's next a fee to vote? I didn't serve my country for this. USAF. My Dad served 6th Marines Okinawa 60 day before being wounded for this. And I'm sure if alive he'd oppose 3075 also. Pay a fee take a class finger printed. For what. So the State can weaken the 2nd Ammendment. Leave us honest citizens alone and go after the bas guys.
