Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

All legislators take an oath to support and defend the Constitutions of the US and Oregon, against enemies foreign and domestic. The Second Amendment of the US Constitution clearly says that the government shall not infringe upon the right of US citizens to keep and bear arms. That is pretty clear English. Most people in Oregon understand this and want their elected representatives to follow their oath.

Please oppose these bills that would significantly reduce the citizens right to keep and bear arms.
