These gun bans are unconstitutional! You leftwingers continue to take away rights just like Hitler did and all other dictators in the past have done all so you can have unlimited power and the sick fantasy to kill citizens you don't want to be controlled by you! Also it takes a trained cop 14.7 rounds to stop 1 bad guy, and this nonsense that you want to ban people to 10 rounds who don't not deal with bad people in a daily basis like cops do thinking somehow with 4.7 fewer rounds can stop the same bad guy! You leftwingers are more likely to be in the situation to have to defend yourself then anyone else since you hang out with one another and since your ilk is extremely violent you will oire likely die as a result as you limited yourself to defend yourself. And the cult of lift every voice and mons demand action that cry about there kids killing themselves through suicide should look into the mirror and realize you are the reason your kid killed themselves as your parenting skills are disastrous, and trying to force your kid to be something they were not is the reason! Stop trying to take my rights away because you fantasize about being a king or queen!
