

Submitter: Joanne Shipley

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Please move forward with this measure to prevent tragedies. No more people need to die. No more children need to be victims of accidents. No more folks who have mental health issues need to have guns. Please do everything you can to make our communities, churches, schools, stores, bus rides, children, and family members safe and healthy. You CAN make a difference. Please do it!

Thank you,  
Joanne Shipley
