Measure, Appointment or Topic: HB3075

I do not support HB 3075. Converting a right into a privilege / license is unconstitutional (Murdock v Pennsylvania 319 us 105). "If a state converts a Liberty into a privilege, the citizen can ignore the license and fee and engage in the Liberty with impunity (shuttlesworth versus city of Birmingham alabama, 373 us 262).

Keeping a record of firearms transactions is illegal.

While Oregon's judges may think this is allegedly constitutional, the second amendment still stands. This legislation is wrong and will cost Oregon in the end via lawsuits.
