

Submitter: Alex Durheim

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose this bill because as an American and prior military member I feel that this type of gun control is an infringement upon the very rights we have in place for a reason . Do not punish responsible gun owners !

It's unfair and unjust and quite sickening to put these mandates on gun owners here in Oregon. I have the right to bear arms as a free American and I oppose these silly bills.
