

Submitter: Benjamin Parsons

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

To whom it may concern:

My name is Ben Parsons. I am a responsible gun owner and born and raised in Oregon. I strongly oppose HB3075. I believe it targets more responsible people trying to naturally be able to hunt and protect themselves and their families. I feel as if we have strict purchasing restrictions to keep guns out of the hands of criminals in place, and this bill goes way beyond that.

This bill also doesn't have a economic impact statement, and the numbers I've heard so far that have been estimated, are greater than what the tax payers and gun owners can afford.

I have alot of other notes I've generated here, but I will keep this short, out of respect for your time.

Thank you and respectfully submitted,

Ben Parsons
