Measure, Appointment or Topic: HB3075

I am a 38 year old RN, mother and wife. I am also the sister of a 35 year old man that survived a mass shooting attempt in a Bend grocery store in 2022 that killed 2 people. I want to know that the gun shop that sold the guns to a murderer was properly inspected on a reasonable basis. This could save lives by keeping them following the rules. It's a reasonable expectation.
