Measure, Appointment or Topic: HB3075

As a lifetime Oregon resident, I strongly object to this piece of legislation that is a carbon copy of the unconstitutional Measure 114. The actions of the Democrat Supermajority makes me sick. Do not trample on our God given constitutional right to bear arms in this country and this state. This bill spits in the face of Oregonians, established US Supreme Court rulings, and the constitution of the United States. You know this will be taken to court and you are happy to spend tax our payer money to defend it. Stop this piece of unconstitutional legislation now.
