

Submitter:

Jason Bruno

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB243

Sir or Ma'am,

Why are you doing this? There is no emergency and all this does is destroy the Second Amendment in Oregon? Why are you not listening to the people instead of listening to out of state interest group. This makes me ashamed of every elected official in Salem. You guys are a real joke and the sooner you are voted out, the better.
