Measure, Appointment or Topic: SB243

Dear Chair Prozanski and Vice-chair Thatcher,

Please support SB 243 with the -1 amendments that will move Oregon firearm safety law forward. Too many lives are lost senselessly to gun violence in our nation and state because of lax gun laws. These proposals would put reasonable restrictions on persons' ability to purchase firearms and where they may carry them, including sensitive locations like government buildings. Every incremental step is important to reduce gun violence.

Sincerely,
Paul Diller
