

Submitter: Carol koffel

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I am a senior citizen,have a handgun permit.I carry my firearm everywhere I legally can for my protection.This I've done for over 30 years. I do go out to the shooting range once a month to practice so I am very comfortable shooting . Taking away my sole self protection would be stressful and an invasion of my second amendment. Please do not take my only security away from me!!!!
