Age discrimination

SB 243 is a discrimination against adults between 18 & 21. Adults between the ages of 18 to 21 are allowed to become police officers & serve army duty, but it is ok to rob them of their right to possess a firearm? The legal age to obtain a license to operate a motor vehicle in the state of Oregon is 16. There are more deaths in motor vehicle accidents compared to firearm related incidents in all of the US, should we ban motor vehicles?

Right to bear arms

2nd amendment

Waste of tax payers money

Background checks are already managed by the FBI

SB 243 is a waste of tax payers money as the FBI does background checks already.

Our states are having a mental health crisis, not a gun crisis
