On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I am writing in support of SB 243 with its important provisions that will prevent gun violence and protect the health and safety of all Oregonians, particularly children. Provisions to raise the age for purchasing a military style or semi-automatic weapon, a ban on rapid fire devices like bump stocks and a 72-hour waiting period for firearm purchases are all reasonable steps toward keeping our communities safer and preventing gun violence. This bill does not restrict Second Amendment rights, but establishes some rules and restrictions that are in line with other measures that contribute to responsible and safe gun ownership. Please support this bill and move it out of committee.

Thank you.
