

Submitter: William Bates

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I am opposed to SB 243. I served as an infantryman in the US Marine Corps defending the Constitutional rights of Americans overseas only to return home to learn that the average Oregonian's Constitutional rights are in greater danger from Oregon politicians than our enemies in the Middle East. This bill only serves to limit the ability of Oregonians to defend themselves against criminals who will never follow any gun law. Stand with the Constitution and vote NO on SB 243.
