

Submitter: Jason Roberts

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please ... No New Taxes. We are taxed enough. The state gets enough revenue - compare our state with other similar states. Be more efficient with the money that you have. No new taxes! We can't afford it. Businesses are leaving. People are leaving. The return for our 'investment' is not there - why make us pay more? No new taxes!
