Measure, Appointment or Topic: SB243

It seems to me that you choose to ignore the rights of the people so let me help you out.

Constitution of the United States  
Amendment II

A well regulated Militia, being Necessary to the security of a free State, the right of the People to Keep and Bear Arms, SHALL NOT BE INFRINGED.

You seem to have forgotten that each one of you Serves the people of Oregon, it is not the other way around!!

We The People are sick and tired of your tyranny, your stealing of our hard earned money with your exorbitant tax bills, your absolute inability to be able to comprehend that We The People have Rights that you do not get to take away in your closed door meetings.

The 2nd Amendment is not yours to take away, whittle down, or decide what we can or cannot own in our own homes!

You do not get to ask for "proof of purchase" for anything that we purchase under the 2nd Amendment!

You do not get to decide how we defend ourselves and our families due to your incompetence as "elected" members of service to Oregon!

You choose illegal aliens over citizens of this State with your Sanctuary "Laws"!

You allow protections for pedophiles with your Sanctuary "Laws"!

You do not care about the children in Oregon by allowing predators to be to in our neighborhoods!!

You allow drug cartels to move into Our neighborhoods and sell poison to the citizens of our communities.

You allow these criminals to rape, murder, and destroy our safety by your lack of understanding that You Work For The People Of Oregon!!°

You have no right to to take away our right to defend ourselves against the evil that you welcome into our State!!

Rest assured, your jobs are temporary and We The People Are Taking Names!!!

We do not need criminals who take hand outs and scratch the backs of those that fill your pockets as "leaders" of this State.

Freedom, the Right To Bear Arms, Safety in Our Communities and for our Families, the right to Vote without fraudulent elections, the right to be heard without name calling government "officials" who are so power hungry that they Choose to disregard the People of this State.

These are Our Rights that you abuse with your need to "feel important and powerful"!!!!

We are watching!!! We are listening!!! We see what you are doing!!!

Leave Our Rights Alone!!!! Do your jobs and quit trying to take away what belongs to us!!!!
