Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Dale Neill from Bend, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in any capacity at this time, in the middle of a cost-of-living crisis is totally unacceptable. These actions will only cause more people to move out of the State because they can No Longer afford to live here. We, the hard working families just trying to get by can Not handle ANY more. We are tapped out! ENOUGH!
