Measure, Appointment or Topic: HB2025

I'm Ben Walker and I've lived in Beaverton since 2000. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine (I have a wife & 4 kids to support). I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has....especially since our population has gone down but taxes have gone up.
