Measure, Appointment or Topic: HB2025

My name is Gail Staniford, and I live in Prineville, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by & you going to make difficult for retired(fixed income) people to make ends meet. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine. Quit punishing the working people. Quit supporting able bodied people & have them pay their share. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.
