Measure, Appointment or Topic: HB2025

My name is Merideth Driscoll, and I live in Portland, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has. For example, the sidewalk corners in my neighborhood have been redone several times each. I was told it is because of the lack of communication between Pbot and Odot and that procedures were not followed for one or the other. Such a waste of taxpayer funds.
