

Submitter: Willard Dodds

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

The proposed increases in gas tax and DMV fees are well in excess of inflation. The state needs to manage available funding better. Funds should be primarily used for the benefit of taxpayers. We need to focus on getting homeless and drug users off the streets even if the housing provided is not ideal, the state has allotted sufficient funding to improve the situation, but the funding has not been used effectively.
