

Submitter: Kelly Mayes

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am very concerned with how easy it is to just pass more taxes on to us with what seems like zero regard for how hard it is out here for some of us. I oppose this bill and hope you will find a way to “live within your means” like the rest of us.

Regards,  
Kelly Mayes
