

Submitter: Zachary Robinson

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please do not pass this bill.

Oregonians are already overtaxed. If the transportation department needs more money, that money should be found by cutting one of the other bloated state programs.

As it is, ODOT wastes money right and left.

Why does the state require an ever increasing percentage of the fruits of our labor.
