

Submitter: John Ewan

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please fund the Frog Ferry!

We live along the interstate corridor in North Portland, witnessing and impacted by traffic making its way between Vancouver and Portland.

Adding a clean sustainable alternative to driving this stretch of roadway, especially during the upcoming bridge construction is imperative.

FUND the FROG FERRY.

Thank you.

John
