On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My family simply cannot afford any more taxes. I primarily am just feeding my husband and I although we do have guests for dinner at times. We don't eat that much and we aren't eating extravagantly. Each month I exceed the \$800 I've budgeted for my grocery bill. No one can afford more taxes, I can't imagine what families with kids still in the home are going through.

Please no more taxes!

Jennifer Pitt
